

Holiday in Sabah

KK BY NIGHT

Meet and greet with our guide and driver at the designated area. Then, start the tour with a visit to the signal hill observation tower for a night view of the bustling city of Kota Kinabalu, and see the place that holds historical values to Sabah. Thereafter, continue down to the night markets around the city. Wander around and test out your bargain skills with the local for the product sell. Here, there is variety choices of product sold here ranging from food and beverages, jewelleries and clothing that can be bring back as souvenir. Later on, continue for dinner at the local restaurant (*If Apply*) before transferring you back to the designated drop off point.
