

Holiday in Sabah

KLIAS WETLAND CRUISE

Meet up with your guide at designated area and head towards the Southwest coast of Sabah for an approximately 2 hour's journey through breathtaking scenery along the coastal bay. Guest will be brief what will they be seeing and experience in the wetland. Upon arrival to the base camp, coffee and tea will be served with cakes made by the locals.

Later on, on board comfortable boat for a cruise for the mangrove experience. During cruising, look out for the wildlife such as the highlighted Proboscis Monkey, Long Tailed Macaques and few bird species on sighting. After the cruise, head back to the base camp to enjoy the Authentic Malaysian Buffet dinner which will be served after the first cruise.

After dinner, check the weather before cruising down to the mangrove to witness the emergence of these night fireflies. Along your way back to the base, you will be accompanied by these insects hovering the mangrove trees like glimmering lights.

Estimated time of arriving in Kota Kinabalu will be around 9.30pm-10pm.
