

Holiday in Sabah

MANTANANI DIVING TRIP

Meet up with your guide at the hotel lobby and head up to North part of Sabah, Kota Belud for approximately 1 hour and 45 minutes drives to the jetty. Upon arrival, register and signed the indemnity form before on board to the designated boat to the Mantanani Island. The boat ride shall takes around 30-45 minutes depending on the sea condition.

Upon arrival, gather up for a safety briefing by the diving instructor before being divided to a few groups before starting the Diving session lead by the instructor. Learn how your body will react to water pressure and how to deal with it with our PADI trained professional. Learn how to handle any difficulties while you are in the water e.g if your mask is flooded, how to clear water from your mask and regulator. You will learn new hand signal which is very useful while you are in the water.

Later on, PADI professional will let you practice breathing underwater in shallow area and how to use your fins properly. Once you are already confident with it, then we will start your underwater tour around the island. This will help to build your comfort level and determine your understanding of SCUBA diving. This is important for your safety before your open water dive.

Your PADI professional will then get you on the boat once he/she feels that you are ready for your deeper dives and embark on your new adventure. Take your time and relax, your PADI professional will supervise you for an unforgettable underwater adventure with care and safety in mind. During the dive your PADI professional will be pointing out the various marine lives that you will encounter.

After that, back to the base camp for your lunch. After lunch, continue to relax on the beach until designated time and head back to the mainland and later be transferred to Kota Kinabalu and to your designated hotel.
