

## MONSOPIAD CULTURAL VILLAGE

At the designated time, meet and greet our guide and driver and start your journey to the Monsopiad Cultural Village located in Kampung Kuai Kandazon of Penampang District. This cultural village is the one and only cultural village in Sabah that relates directly to the warrior, Monsopiad. The direct descendents of Monsopiad have built and manage the village in order to remember their forefathers and to allow visitors to see for themselves the richness of the Kadazandusun culture and ethnicity. Upon arrival you will be greeted and be briefed about the village rules in preparation for your entering the village to experience pre-historic Borneo as it was. As you enter the village you will be guided around the Monsopiad Village. In the centre of the village is the "Gintutun do Mohoing", a stone monolith erected long ago, a silent witness to many legends of Monsopiad. Within it, is believed to dwell spirits from the past. Today, many people visit the stone for luck. After that, proceed visiting around the village before heading to the famous House of Skull located across the village. A short brief will be conducted before heading up to the house. Here you can pay your respects to a once fearsome warrior and the unfortunate souls who were relieved of their heads. Thereafter, proceed to the dining hall and enjoy a sumptuous lunch in Buffet style before heading back to Kota Kinabalu City Centre.
